

Politecnico
di Torino

Recording Consent Form

Thank you for participating in our usability research. We are conducting a usability study to evaluate the ease of use and effectiveness of our web application called CommuniPrep. Your feedback will help us improve the system's design.

Your Rights:

- Participation is voluntary, and you may withdraw at any time without penalty.
- You may skip any questions or tasks you feel uncomfortable with.

What You Will Do:

- Perform tasks using the system while verbalizing your thoughts.
- Answer a brief questionnaire and participate in a short debriefing session.

Data Collection:

- We will record screen activity, audio, and notes during the session.
- All the information provided will be used exclusively for internal purposes and anonymously during the Human Computer Interaction course of the Politecnico di Torino, and will not be disclosed in any way

By signing below, you consent to participate in this study.
